

THE AUSTRALIAN CHINESE
MEDICAL ASSOCIATION NSW INC

HOW TO BUILD A GOOD CV

An MDT Panel

Join us in our a workshop aimed at junior doctors and medical students, to provide information on building a competitive CV. A panel of speakers will discuss the building blocks of a good CV, and how they approached generating the individual items in a good CV. Alongside this, we will explain the job application process, and tips to secure good references.

Food and beverages will be provided
